BOXERS & SAINTS

GENE LUEN YANG

Boxers & Saints is an innovative new graphic novel in two volumes - the parallel stories of two young people caught up on opposite sides of a violent rift. American Born Chinese author Gene Luen Yang brings his clear-eyed storytelling and trademark magical realism to the complexities of the Boxer Rebellion and lays bare the foundations of extremism, rebellion, and faith.

I AM MALALA

MALALA YOUSAFZAI

I Am Malala is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I Am Malala will make you believe in the power of one person's voice to inspire change in the world.

FRANKENSTEIN

MARY SHELLEY

The story of Victor Frankenstein and the monstrous creature he created has held readers spellbound ever since it was published almost two centuries ago. On the surface, it is a novel of tense and steadily mounting horror; but on a more profound level, it offers searching illumination of the human condition in its portrayal of a scientist who oversteps the bounds of conscience, and of a monster brought to life in an alien world, ever more desperately attempting to escape the torture of his solitude. A novel of hallucinatory intensity, Frankenstein represents one of the most striking flowerings of the Romantic imagination.

ICEFALL

MATTHEW KIRBY

Trapped in a hidden fortress tucked between towering mountains and a frozen sea, Solveig--along with her brother the crown prince, their older sister, and an army of restless warriors--anxiously awaits news of her father's victory at battle. But as winter stretches on, and the unending ice refuses to break, terrible acts of treachery soon make it clear that a traitor lurks in their midst. Solveig must also embark on a journey to find her own path. Yet, a malevolent air begins to seep through the fortress walls, as a smothering claustrophobia slowly turns these prisoners of winter against one another.
